Dear Lawrence Wasky,

Hope these pictures reach you without street address.

In speaking to you I forgot that I've arranged for a radio show by phone for the chairman whenever he emerges. It is with Allen Dale, WOAI, San Antonio, a wonderful guy with an enormous audience.

He's on from 10 a.m. local time, I think for three hours.

Let me know when you are ready, or remind him of his promise to me.

Sincerely,

Harold Weisberg
